Gordon Hideaki Nagai : The World's 101 Maniacally Worst Puns: Laughter is One of The Healing Arts, A Prescription for Good Mental Health before purchasing it in order to gage whether or not it would be worth my time, and all praised The World's 101 Maniacally Worst Puns: Laughter is One of The Healing Arts, A Prescription for Good Mental Health:

A "father's joke" tour of the realm of puns and play on words. This venture takes one through the world of language in English with an emphasis on breaking the lock-step role of rules and guidelines for word meaning. A humorous adventure with words.
