**Gordon H. Nagai : The World's 101 Worst Puns ~ Vol. III** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World's 101 Worst Puns ~ Vol. III:

Puns are the most sophisticated form of humor in the American lexicon - Each play on words is a marvel designed to elicit a gaffaw, the rolling of one's eyes, or the expelling of a favorite liquid out the nostril. When done well it is that marvel - Even when not done well it can still tickle one's fancy. Here are 101 of such for those with this addiction - Enjoy...!
