I figured it would be an entertaining little book for those especially lengthy bathroom visits that guys will sometimes take, haha. He loved it so much though, he read it cover to cover within the week!It's definitely thought provoking and educational, but in an entertaining way.Great little gift! helpful. EXCELLENT BOOK! ONE OF MY FAVORITES!By E. ThielOnce you start reading this book, it's hard to put it down. The information is great. Some points of interest: How to escape quick sand; escape a hotel room fire; climb out of a well; protect yourself in a sword fight; survive animal attacks -- and much much more! If you're paranoid like I am, or want to be better prepared for life threatening events, pick up this book. It's a quick, easy read. Very entertaining!!!

The authors of the phenomenally best-selling Worst-Case Scenario Survival series have taught millions to prepare for the worst but how can readers be sure they're really ready? The Worst-Case Scenario Book of Survival Questions collects hundreds of survival dilemmas and questions designed to test true survival skill and daring. Fifty percent longer than the handbooks, this challenging, interactive, and informative book is packed with survival trivia, expert tips, adventurous situations, and illustrations. Is it worse to be lost in the jungle during the day or in the desert at night? If you had to perform an emergency tracheotomy, where would you make the incision? In hundreds of multiple-choice quizzes, story problems, and questions, The Worst-Case Scenario Book of Survival Questions provides need-to-know answers to life's unexpected turns for the worst. Also included is a Worst-Case Scenario Aptitude Test (WCSAT), which can be scored at home to ensure optimum readiness. Don't wait until it's too late!
