By T. BRAUGHTONI enjoyed this book as she had some really great insights about being a woman and accepting the good with the bad.

About women But not for women only. Taking a closer look at yourself with all the imperfections and being surprised to find yourself smiling. Are you ready to laugh at life, love and the things you cant control . . . like gravity. Genesis 21:16 Sarah said, God hath made me laugh, so all that hear will laugh with me.
