**Jack Sjogren : Things I'd Do (But Just for You)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Things I'd Do (But Just for You):

4 of 4 people found the following review helpful. Fantastic. By Jordan Strasen I bought this book for my girlfriend. She thoroughly enjoyed it, however she now expects me to give her a reasonable amount of time to get ready, and to wake her up only in the event I have fresh donuts ready for her to eat. That being said, this book is worth absolutely worth it. Jack Sjogren is a talented, witty, and dare I say, handsome man. 2 of 2 people found the following review helpful. She loved this book and finally agreed to do that thing I've been asking her to do. By Customer The only thing that was missing was "I would pick up all the soda cans you leave around the house and put them in the recycling bin." But other than that, this book captures the essence of love sick devotion bordering on servitude we've become accustomed to these days. 2 of 2 people found the following review helpful. Such a fun read! I really love this book and think ... By Customer Such a fun read! I really love this book and think it's a great gift to give someone that you love :) the illustrations are very funny and the book itself is of excellent quality.

Love comes and goes, but really liking someone? Now that's something special. Illustrator Jack Sjogren celebrates the

genuine, under-celebrated emotion of "like" with moments we would happily endure for someone special. This humorous gift book perfectly channels the boundless generosity we feel for our BFFs, making it a charming and eclectic look at unconditional affection in the modern age.

About the Author Jack Sjogren is a cartoonist and writer in Los Angeles, California. His comics regularly appear on BuzzFeed and Hyperallergic.
