the following review helpful. Laughing out loudBy scrib9erToo many comedy books aim for random targets, trying to be too clever, without hitting the main mark: making you laugh. Paul Nardizzi, one of Boston's best comedians, does not let you down. Things That Might Annoy A Yankee Fan is great for any Sox fan still wondering about how much chicken really was really consumed in the dugout. Anyone in Boston knows how irritating the average New Yorkers is, never mind a buffoon wearing a Yankee logo. This book gives you some verbal fastballs to brush the NYer off the plate. A few curveballs into the sidenut. Good gift for a baseball fan.0 of 0 people found the following review helpful. Funny!By SDTYou will enjoy this book and will laugh out loud at the timely and well written jokes. This is a great light read and a great gift for the Yankee haters out there. Red Sox and Mets fans, in particular, will love it. Very funny illustrations also.

Let's say a Yankee fan comes up to you and starts bragging about his team's 27 Championships. What do you say in response? What do you do when a Yankee fan calls to brag about yet another victory? How should you react when you see a guy decked out from head to toe in gaudy Yankee garb? If your answer to these questions is smack the person in the face, well, we understand. But we can do better than that. And now, armed with this book, so can you. We have provided you with hundreds of humorous things to say and do to any annoying Yankee fan. (Sorry for the redundancy.) We've even included a 12-step program that will allow you to get a Yankee fan to stop rooting for that most evil empire. So, whether you are a Sox fan, a Mets fan or just one of the many rational people on this planet who despise Yankee fans, this book is a must for you. It will also make the perfect gift not only for any other Yankee hater you know, but also for a Yankee fan. What better way could there be to annoy a Yankees fan than by giving him a book entitled Things That Might Annoy A Yankees Fan?
