Especially the piece "Ariminta Ditch" (by John Lennon) and my favorite: "Brain Damage."Brainy, irreverent, FUNNY.4 of 5 people found the following review helpful. Well who would have guessed?By eviltoaster@yahoo.comThis book has some of the funniest stories, by some of the most unexpected people. We all know Bob Dylan for his powerful songwriting, but in this title we discover his talent for razor sharp prose. Likewise Salvador Dali known worldwide for his surreal paintings, delivers a children's story that borders on profane. This book twists and turns and is full of funny stories and chocked full of surprises.

Bizarre Humor.
