H. Allen (Harry Allen Wolfgang) Iral L. Smith : Three Men on Third: A Second Book of Baseball Anecdotes, Oddities, and Curiosities before purchasing it in order to gauge whether or not it would be worth my time, and all praised Three Men on Third: A Second Book of Baseball Anecdotes, Oddities, and Curiosities:

0 of 0 people found the following review helpful. great fun series of short vignettesBy Rick M. PilotteThis is a fun series of short baseball stories written around 1951, so we read stories about baseball greats like Lou Gehrig, Casey Stengel and others. But it's also a series of humorous baseball stories of fans and umpires, little league and big, housewives and kids. The stories go back as far as at least the 1880's, so it interesting in many ways about the things that go on in baseball parks (or even away from them,) over the years in a quieter and gentler period. And you don't have to be a baseball aficionado to appreciate this books stories.Lots of fun and you can put the book down for days or weeks and continue on because it's just series of short fun stories. Provides a great series of breaks between more serious reading.
