**Gunnar D Ridgeback : Through the Eyes of a Ridgeback: Gunnar's Deep Thoughts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Through the Eyes of a Ridgeback: Gunnar's Deep Thoughts:

I love that you can pick it up and read the short stories whenever you get a chance and trust me it's hard to put down. The style is fun and very readable as you hear about Gunnar's mischievous adventures - I particularly enjoyed hearing about his annoying 'buddy' Walter the Squirrel! This book would be great for all ages and

especially enjoyable for all dog lovers as I'm sure they'll relate to the way mischievous dogs think! A very enjoyable read! 1 of 1 people found the following review helpful. Fun read! By Beth Thomas I have ridgebacks and love the breed so much and so much fun to read about them. This book is too short! Gunnar's antics so define the things we love about the breed and I am sure he has more tails to tell since this book was written! 0 of 0 people found the following review helpful. Gunnar Rocks! By Jack This review is way overdue, sorry Gunnar and Lori. It didn't take very long before I was actually living these adventures through Gunnar's eyes. Very good writing style that put me right there in the moment as stuff went down. I have ordered the second book in the series and am looking forward to the continuing saga. Well done Gunnar and Lori!!

Have you ever wondered what your dog is thinking? What if your dog wrote all those thoughts onto a book? Meet Gunnar, aka The G Man, a 2 year old Rhodesian Ridgeback who has the gift of sharing Deep Thoughts and digging deep holes. A very high spirited and fast moving Ridgeback who has more friends on the social networks than his human family combined. Follow along as he drags you into this "Dog Days of summer" book of short stories. Through the Eyes of a Ridgeback will have you scratching your head saying "What the Ridge." \*This is the updated edition with extra photos and extra deep thoughts.\* Cover design by: JH ILLUSTRATION

About the Author Lori and her husband live in Jersey where they're held at bay each day by their bossy, demanding, and somewhat spoiled dog named Gunnar. When Lori isn't catering to the dog she enjoys painting, photography (of the dog, go figure) and writing. Lori's dream for the future is one day owning her own laptop that doesn't have drool marks or muddy paw prints on it to continue on with writing. Of course Gunnar would most likely have a different version of this.
