Iva Pun Andriddle, Christine Petrell Kallevig : Ticklish Tales for Tellers before purchasing it in order to gage whether or not it would be worth my time, and all praised Ticklish Tales for Tellers:

Squeaky clean fun for the whole family with riddles such as, why did the storyteller cross the road? Where do storytellers find the best stories about spiders? What do you get when you cross a storyteller with an elephant? You

may think you know the answers, but you'll have to read the book to find out for sure! 99 jokes, riddles, short stories, and cartoons lampoon storytellers and the storytelling life. 32 pages, fully illustrated by Twaddle Corn, trade paper binding.

A highly regarded storyteller performed at a meeting of a local literary club. When she was finished, the club secretary approached her with a check. Feeling generous, the storyteller politely refused payment and suggested that it might be donated to a charitable cause. "Would you mind," asked the secretary, "if we add it to our special fund?" "Not at all," said the storyteller, "but I am curious about what the special fund is for?" "To enable us to bring in better speakers next year. You know, speakers from out-of-town..."
