I enjoy her books because she has a wonderful gift of being able to laugh at herself and see the humor in every situation. This collection includes light verse which is clever and fun. A perfect gift to a friend or family member--great for any occasion!0 of 0 people found the following review helpful.

Down-to-earth humorBy Cathy K.A most entertaining adventure in essays and light verse! This author has a perfect sense of timing and the most comical anecdotes--not to be missed if you like down-to-earth humor.0 of 0 people found the following review helpful. A human BookBy Karen S. SassmanWe purchased this book from Celtic Cat Publishing. The kind of book that makes you laugh, think and recognize the situations. We pick up this book and open it at any page and read and reread. Very enjoyable!

udy DiGregorios delightful new humor book, Tidbits, is a collection of illustrated light verse and upbeat essays based on everyday situations. With her characteristic self-deprecating humor, Judy makes us smile, chuckle, and laugh out loud over the challenges of new technology, her waistline, and her efforts to stay in style. Family friendly, her humor appeals to all ages.
