borrow and spice memes and emails. It will keep you smiling.0 of 0 people found the following review helpful. Five StarsBy Donna B.Entertaining little book and useful at times when in a conversation with someone. Promptly delivered.1 of 1 people found the following review helpful. Read, Laugh, ThinkBy Ben BryantIn the first section of his wonderful book Tim has included the following whimsical advice: "To be sure of hitting the target, shoot first and call whatever you hit the target."This bon mot surely applies to the book itself. Pick any selection and you can't miss. Some are funny, some are wise. A few made me scratch my head but that is proof that they caused me to think.Any book that makes you either laugh or think is worthwhile.This one does both.Ben Bryant

Bon Mots? Yes, you know - witticisms, aphorisms, zingers, one-liners. We've been collecting these for decades and eliminated those that are too common, too corny, or just not clever enough. The goal of this book is to become the repository of the kind of saying that you wish you could remember and have ready for just the right time. Heard a good one? Submit it to timsbonmots@gmail.com and share the wealth. This is "wiki wit" wealth. If we include it in the next print or e-book edition we'll share right back at you and send you a PayPal payment for \$5.00. (The original authors of the lines in this book are long forgotten, so it seems better to make all the lines in this book available for everyone to claim credit. Therefore, we won't attribute your line to you.) Looking for the dirty or hateful ones? Insults not insulting enough for you? To protect tender minds, we have restricted that stuff to the e-book edition at amazon.com/Tims-Bon-Mots-ebook. But please! Use Bon Mots for good, not for evil.
