Fay Jacobs : Time Fries!: Aging Gracelessly in Rehoboth Beach (Tales from Rehoboth Beach) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Time Fries!: Aging Gracelessly in Rehoboth Beach (Tales from Rehoboth Beach):

easy to follow. Her stories are laugh-out-loud, pee in your pants funny. I have no idea exactly where Rehobeth Beach is, but this ole southern belle is ready to head north. If I were stuck on a deserted island, I would definitely choose her to be marooned with. What a hoot! But, I do worry about her liver. 0 of 0 people found the following review helpful. Always a good read By P R Giles Fay always makes me smile or hoot with mirth. Though she writes that this is to be the last in her "Frying" series, I hope she has other stories planned for us. Meanwhile Bon Voyage and Happy Trails as the adventures continue.

Fay Jacobs is back! Again! The author of the trilogy of humorous memoirs *As I Lay Frying*, *Fried True* and *For Frying Out Loud* returns with more wise and witty recollections about contemporary life in general and more specifically life in Rehoboth Beach, a small resort town on the Delaware Coast. It's provocative, political, occasionally heartwarming, and reliably hilarious.
