T. M. Shine : Timeline Month In The Life Of A Guy Who Refuses before purchasing it in order to gage whether or not it would be worth my time, and all praised Timeline Month In The Life Of A Guy Who Refuses:

2 of 2 people found the following review helpful. T.M Shine is an undiscovered treasure. By MRHULOT Mr. Shine wrote for local papers herer in South Florida. He is an undiscovered treasure. He worked for years in a drugstore before writing a short story for the local Sunday supplement in the Miami Herald titled ' Why I hate my Job.' It was brilliant. soon he quit and started writing for local weekly papers. His style is very funny and unlike any other writer I can think of. He can also write serious , an article he wrote about a death in the family brought tears. Next to Bailey white and douglas adams, he is one of the funniest writes around. 4 of 4 people found the following review helpful. Simply the Funniest Book I Have ever Read. EVER. By David Baker Sorry, it's late, I'm tired and I'm not verbose anyway. I'm a

huge fan of funny books and this made me laugh more often and harder than anything, ANYTHING, I've ever read. I only wish I could get my paws on a collection of his articles. My new favorite humorist hands down. Buy This Book!!!

Part diary, part confessional, T.M. Shine's hilariously droll *Timeline* does for America what *Bridget Jones* did for England: showcase the daily dramas and drudgeries in the life of one very funny person. Time has always been one of Terry Shine's favorite subjects. He's so fascinated with time that he documents the way he spends it - every day, every hour, every minute. Terry puts to paper the useless information, the daily debris that whip by most of us without a second thought.

From Publishers Weekly Humor columnist for *City Link*, a South Florida news and entertainment weekly, and a frequent contributor to the *Washington Post*, T.M. Shine (*Fathers Aren't Supposed to Die*) is not a scientist, nor does he take a scientific approach to the topic of time. But clearly he is obsessed. *Timeline: A Month in the Life of a Guy Who Won't Have Money Taken Out of His Paycheck for United Way; a Guy Who Always Eats Lunch Alone; a Guy So Fascinated with Time That He Documents the Way He Spends It Every Day, Every Hour, Every Minute, Every Second* is a whimsical moment-by-moment account ("Please don't confuse this with a diary. It is so much less") of 30 days (and counting) in Shine's unremarkable life. Copyright 2001 Cahners Business Information, Inc.
