Bruce Lansky : Tinkle, Tinkle Little Tot: Songbook and CD: Songs and Rhymes for Toilet Training before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tinkle, Tinkle Little Tot: Songbook and CD: Songs and Rhymes for Toilet Training:

The funniest and most motivating toilet-training book ever! It contains 17 funny songs and rhymes parents can use to coax kids into the bathroom, and the accompanied CD of songs will make them love to sing along! Toddlers learning to potty train will find the familiar tunes, positive reinforcement and easy repetition a great way to learn how to use the potty!(To the tune of Tinkle, Tinkle, Little Star)Tinkle, tinkle, little totSitting there upon the pot.Any second now, you'll see ...Sprinkle, splash and you'll go pee!... and to entertain them while they're sitting and waiting for something to happen (To the tune of On Top Of Old Smokey)On top of my pottyI sit and I waitI know what I'm making...Is going to be great! In short, every toddler and every parent is going to want one!1) This book is magic! Children will sing and giggle as they learn how to use the potty.2) The songs and rhymes are based on expert advice about how to toilet-train children and how to use toddler-friendly language. They cover a wide range of important behaviors such as: recognizing when they need to go to the bathroom, congratulating children for using the potty, learning how to flush, wash, and clean up any sprinkles, motivating kids to pee before going to bed.3) It contains 17 hilarious songs and

rhymes created by Bruce Lansky and his silly friends.⁴) The book is charmingly illustrated in 4/color throughout by Catherine Blake.
