Tiny Cat - Big Fun By Clothes Horse Awww, you might say, but this book goes beyond awww to awesome. Tiny Cat is a collection of beautiful photos of a miniature cat at play, and doing all the other things that cats love to do. Kids will love taking Tiny Cat up on his suggestion to join him for adventures, and the images will both intrigue and inspire kids to imagine themselves at play with Tiny Cat. Adults who've spent some time with the book - one doesn't read it, actually - tell me they find it relaxing, and a nice way to wind down after a long day at work, or as a bedtime book to help them fall asleep. Highest recommendation for all ages! 3 of 3 people found the following review helpful. The book is amazin By Scott R. Wensman The book is amzin

Just when it seemed pets couldn't get any more adorable, we discovered Tiny Cat. Direct from Japan, this is the sweetest—and smallest—pet around. It is size of a macaron, and its mischievous adventures in a full-size world are chronicled in the pages of this pint-size volume. Animal lovers of any size will enjoy following along as Tiny Cat encounters everyday objects like a strawberry, a ball of yarn, a rubber ducky, and more. The resulting cuteness knows no limits, especially since the book includes a tear-out postcard to send to a friend!
