Just when it seemed pets couldn't get any more adorable, we discovered Tiny Dog. Direct from Japan, this is the sweetest—and smallest—pet around. It is the size of a macaron, and its mischievous adventures in a full-size world are chronicled in the pages of this pint-size volume. Animal lovers of any size will enjoy following along as Tiny Dog

encounters everyday objects like a strawberry, a ball of yarn, a rubber ducky, and more. The resulting cuteness knows no limits, especially since the book includes a tear-out postcard to send to a friend!

About the Author Yoneo Morita is a Japanese photographer who is well known for his adorable photographs of cats and dogs.
