1 of 1 people found the following review helpful. YOU WONT WANT TO PUT THIS BOOK DOWN !By Mr. R. Hanna 'To Sea or not to Sea' - what a great title for this book - full of action, fun and laughter. And what a stunning book cover. An ideal book to read and you don't have to go to sea! It's a story full of excitement and you wont want to

put it down.I've no hesitation on giving it 5 stars. Well done - Alana.

This is a true story. A humdinger of an argument lurches Alana into a vision which is beyond her wildest dreams. Seeing a romantic couple drinking champagne on a yacht, canoodling and eating the faces off of each other; the green eyed monster rears its ugly head. Most women buy shoes or clothes to console themselves after a tiff but Alana sees a £70,000 yacht. Does she buy it? Alana tells this true, hilarious at times story, her life, her journey, her mayhem. Do you have a sense of fun, like a giggle, don't take life too seriously? Then read this. When, where, how does it all end?

About the AuthorAlana has had many varied articles, letters and personal stories published in women's magazines such as Chat, Woman's Own, Woman, Take a break, My Weekly, Bella and local newspapers. Alana has appeared on television more than 60 times and filmed in some high profile major films. Her true life experiences have been at times rather bizarre. An interesting life in which she draws on many humorous experiences.
