One Star By Annemarie Latimer boring 1 of 2 people found the following review helpful. Not My Type of Humor By Diane HI should have read the entire book blurb by the author before entering the Goodreads giveaway where I won this book (which didn't impact my review of this book). The author himself states that this book is gross, which is totally true, and that it's hilarious, which is not. If you think babies pooping all over everything or middle school boys getting poop all over their friend's bathroom is funny then this book is for you. Unfortunately, it wasn't for me.

People poop in their pants. It happens. No biggie, right? Wrong! Some bathroom accidents occur at the worst possible moments - on a first date, at the start of a new job, while stuck in traffic - and their stories ascend to the level of Toilet Tales. If you enjoy a good bathroom book, this one collects 28 of the most humiliating accounts that anyone was ever brave enough to confess. Toilet Tales makes a hilarious conversation-starter and is perfect if you're a bathroom reader. But be warned: These true funny stories are gross!
