I find that this Trivia book pass the time quickly.I also am gaining knowledge for the times when we site around and enjoy adult beverages at our Coaching parties! :)1 of 1 people found the following review helpful. Did you know that?By Douglas R. LipmanEven if you're not a hockey fan, you will find this interesting. The entries are indeed trivial, but that's the title.

TOILETRIVIA (Hockey) is the only Hockey trivia book that caters to your everyday bathroom needs. Questions on Hockey are asked on three difficulty levels ranging from easy "One Roll of Toilet Paper" trivia, to questions so hard, you'll need "Three Rolls of Toilet Paper" to get you through the chapter. Great Moments, Goalies, Wingers, Interesting Tidbits...if you love it, it's in this book! Toiletrivia is also an interactive game, as a scorecard in every chapter allows you to compete with future bathroom patrons. The questions selected in Toiletrivia are so interesting, that your dinner conversation will come from the bathroom. Feel free to leave one behind in every bathroom of the house! This version of Toiletrivia is Hockey. No bathroom should be without it!

About the AuthorHarry Klaff covered the NHL for The Hockey News and Hockey Pictorial, and reported for both the Associated Press and United Press International. He has written three books, All Time Greatest Super Bowl, All Time Greatest Stanley Cup, and Computer Literacy and Use. Today, he is a retired Social Studies teacher from Brooklyn. Because he never went on a date in his adolescence, Harry had plenty of time to research useless facts and figures on everything ranging from history to pop culture. Moonlighting as a hockey scoreboard operator and baseball beer vendor, Harry still had ample time to collect data. Yet somehow, he got married. In 1977, Jeremy was born. Rather than being raised on a steady diet of carrots and peas, baby Jeremy was forced to learn facts from textbooks. His first word was, "Uzbekistan." Throughout his childhood, Jeremy had a hard time making friends. When other kids wanted to play baseball, he wanted to instruct them about Henry VIII's six wives. After a failed career as a standup comic and broadcaster, in 2000 Jeremy fittingly became a Social Studies teacher. Today he brings trivia to the next generation.
