Children will love the challenge of these Tongue Twisters “Not many an anemone is enamored of an enemy anemone.” “A tidy tiger tied a tighter tie to tidy her tiny tail.” Plenty more of the trickiest tongue twisters like that in this book. It will provide great fun for children and the whole family. Tongue twisters are good practise for children as they learn to read and pronounce more difficult words, and of course are lots of fun. A great gift to provide hours of fun for children.
