Book starts out with many different pages of just 3 words. If you were to say them fast it might not sound right. Then it moves onto more words together. Each page also has numbers and basic drawings/colorings. 25 is my favorite, about Sally at the seashore. Never knew there was a second verse. Jokes at the end are hilarious, so cute. Enjoyed reading through this, brought many smiles and laughs to me. Other books by the author are shown at the back of the book. 1 of 1 people found the following review helpful.
