**Blue Q : Total Bitch (Blue Q Mega Mini Kits)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Total Bitch (Blue Q Mega Mini Kits):

“For those who demand the very best”, Total Bitch's glam stance pulls no punches. Kit includes trio of moist towelettes, vegetable-base bath bar, and 32-page “Let It Go / Write It Down” notebook.

About the AuthorThe wacky folks at Blue Q, a company located in Pittsfield, Massachusetts, are responsible for several wildly popular lines of personal care products from Total Bitch to Dirty Girl, Mullet, Queen, and Balls.
