**Ted VanCleave : Totally Absurd Inventions: America's Goofiest Patents** before purchasing it in order to gage whether or not it would be worth my time, and all praised Totally Absurd Inventions: America's Goofiest Patents:

0 of 0 people found the following review helpful. Wacky readingBy J. HydeInteresting, but was hoping for some of the scientifically improbable patents. These are more along the lines of "who would ever want that?"0 of 0 people found the following review helpful. bookBy P. Helmholdtgot this book as a gag gift for my brother in law who is a patent attorney...he got a big kick out of it! thanks0 of 0 people found the following review helpful. New editorial reviewBy Ted VanCleaveI'm the author of "Totally Absurd Inventions", by Ted VanCleave, published by Andrews McMeel. ISBN: 0740710257I have a new editorial review book description but I couldn't find a way to submit it to you correctly. So, I'm submitting it via reviews. Please post the newly updated info below. Book Description Totally Absurd Inventions offers over 100 of the funniest patents on the planet. Need to know when your baby's diaper is dirty? You'll want to see the plans behind the Diaper Alarm. Also see the dieter's Alarm Fork, the beer drinker's Keg Head and the dog lover's Ear Tubes. Most amazing of all, every one of these inventions has been issued a genuine United States patent! Each goofy gizmo features it's detailed patent illustration and a lively description for your ready pleasure. Thanks, Ted

Totally Absurd Inventions offers over 100 of the funniest patents on the planet. Need to know when your baby's diaper is dirty? You'll want to see the plans behind the Diaper Alarm.
