**Daniel R. White : Trials and Tribulations: An Anthology of Appealing Legal Humor** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trials and Tribulations: An Anthology of Appealing Legal Humor:

Appealing Legal HumorBy Alexander WilliamsThis is the paperback version of Dan White's excellent book - essentially a collection of anecdotes and funny stories about law and litigation, but very very funny and wonderful to dip in to as an antidote to the perils of instructing a lawyer or even to the practice of law. White himself is an ex-lawyer who has apparently abandoned the practice of law to spend more time making fun of it - but his wit is still razor-sharp. I bought this book many years ago and still enjoy dipping into it.
