**From Catbird Press : Trials and Tribulations: Appealing Legal Humor** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trials and Tribulations: Appealing Legal Humor:

0 of 0 people found the following review helpful. Another excellent book from legal comedian Dan White By Alexander Williams This is an excellent book - essentially a collection of anecdotes and funny stories about law and litigation, but very very funny and wonderful to dip in to as an antidote to the perils of instructing a lawyer or even to the practice of law. White himself is an ex-lawyer who has apparently abandoned the practice of law to spend more

time making fun of it - but his wit is still razor-sharp.

A collection of the best legal humor by famous humorists and legal humorists such as Mark Twain, Robert Benchley, Groucho Marx, S. J. Perelman; William Prosser, Thurman Arnold, and John Mortimer. Also contains the best work of such contemporary legal humorists as S. Sponte, Arnold B. Kanter, and Daniel R. White himself. Also included are cartoons from the New Yorker, Punch, and the Wall Street Journal.
