**Jan Glaz : Trico Leader of the Pack** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trico Leader of the Pack:

Autobiography of a runaway dog: Leader of the Pack is a heartwarming adventure inspired by truth that reveals the hidden life of street dogs and the dangers they face in their quest for survival, companionship and Love. Our hero is Trico, a born leader, who begins life as a high spirited Shepherd living in the confines of luxury but inwardly craving

freedom - at any cost! One day he pays the price. He escapes. His owner Bonnie places a large bounty on his head forcing Trico to go undercover. Hiding in alleyways, scouting for food and shelter Trico encounters a pack of stray dogs and discovers their home base is a dangerous crime invested slum. Trico joins their gang but soon after organizes a Pack of his own. Thus begins an extraordinary journey, one that guides Trico and his band of renegades into a "unique" life calling proving beyond a doubt that dogs are man's best friend! (35 Color Photographs connect readers with all the action)
