Very funny!By A CustomerI really enjoyed the third installment of this hilarious series of books! Although it was entertaining, it was not as good as the first two, Snaps and Double Snaps. I find these books particularly interesting because i used to live in the city and play "snaps" with my friends and see who came up with the best insult.2 of 6 people found the following review helpful. Funny and down right comedyBy lilman2000I was A really good book I can't stop laugning!

Rooted in a tradition dating back to slavery and with its pulse on today's African-American comedy exploration, snapping is a ritualized form of comic insult that affirms the power of wits over fists. Loaded with over 450 of the newest hardcore insults, Triple Snaps features the adventures of the Dark Snapper and top street-corner snappers from coast to coast. Photos.
