I'd forgotten how much I liked to color as a child but this book brought it all back to me. I've had lots of fun coloring these psychedelic cat pictures. Hopefully, by the time I'm done, Maxwell will have released another book.0 of 0 people found the following review helpful. Stand by to be amazed at this amazing talent you need to see to believe!By Noell Reed JrFantastic artwork and coloring book!! This book will

astound you in more ways than you can imagine!! The stylistic artwork Max Aston projects onto the page is both amazing and surreal. You will be love every page as the designs practically leap off the page into your lap. Ad the color and it's even more beautiful. Max has a talent beyond his years that will amaze you every time you sit down with this book! A must-have for every house!!1 of 1 people found the following review helpful. Best coloring book, especially for cat lovers!By CustomerThis coloring book is incredible! The art is fresh, funky, and adorable. It's been awesome spending time coloring these cute cats instead of more abstract designs.
