Came when expected and no issues.0 of 0 people found the following review helpful. Must be goodBy Robert OGradyMy roomies likes it0 of 0 people found the following review helpful. I bought this for my teenager who doesn't like to read muchBy John M. DeHaanThis one volume contains all three of the original books that I used to have as a teenager. I bought this for my teenager who doesn't like to read much. I have a feeling he'll be reading this cover to cover. He got a corny joke book for Christmas a year ago, but this one he's really into.
