grade school....that I wasn't supposed to read but people would bring their parents copies to school and there were plenty in the bookstores. Some jokes show their age (and some references might require a quick look up on wikipedia),but it is still still funny as @#\$%!8 of 8 people found the following review helpful. misleadingBy andrewThis is a small condensed version of the original. Very misleading. No where in the description did it say that there was less than half the content of the original.0 of 0 people found the following review helpful. Not safe for all.By MindriotThe title says it all.I remembered this book from the '80s, and bought it for nostalgic reasons.However, if you know anyone who is easily offended, do not leave this one laying around your house!

The original is back. TRULY TASTELESS JOKES took America by storm and made it laugh at itself. It's all in here, disgusting, repulsive, cruel, and just plain tasteless jokes and stories that will make you smile, laugh, or groan--and love every minute of it.
