**Blanche Knott : Truly Tasteless Jokes VII** before purchasing it in order to gage whether or not it would be worth my time, and all praised Truly Tasteless Jokes VII:

0 of 0 people found the following review helpful. but it is still still funny as @#\$\$By D. SchneiderClassic book from grade school....that I wasn't supposed to read but people would bring their parents copies to school and there were plenty in the bookstores. Some jokes show their age (and some references might require a quick look up on wikipedia),but it is still still funny as @#\$\$!8 of 8 people found the following review helpful. misleadingBy andrewThis is a small condensed version of the original. Very misleading. No where in the description did it say that there was less than half the content of the original.0 of 0 people found the following review helpful. Not safe for all.By MindriotThe title says it all.I remembered this book from the '80s, and bought it for nostalgic reasons.However, if you know anyone who is easily offended, do not leave this one laying around your house!
