Marlowe : Truly Terrible Tales - Inventors before purchasing it in order to gauge whether or not it would be worth my time, and all praised Truly Terrible Tales - Inventors:

The author of "Horrible Histories" describes the lives of the famous inventors through the ages: Ancient Greek Archimedes, creator of the deadly ship-smasher, Leonardo da Vinci, Renaissance genius - so brilliant, it's scary, and

Joseph Lister, who sticks a knife into Queen Victoria!

About the AuthorIllustrator: Scoular Anderson has written and illustrated many children's books and is a brilliant observer of children's lives. He keeps his observations up to date by regularly visiting schools, especially Innellan Primary School.
