**From New Holland Publishers :** **Trumped: The Wonderful World and Wisdom of Donald Trump** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trumped: The Wonderful World and Wisdom of Donald Trump:

DONALD J. TRUMP is a force of nature ... and that's only his hair! The selfmade billionaire, reality TV star, GOP candidate and US presidential hopeful, Trump is a veritable walking, talking media magnet. Always quotable during his now decades long career in the media spotlight, Trump hit new heights when he announced that he was running for president as a GOP candidate in 2015. Since then it's been a daily barrage of quotes, brinkmanship and oneupmanship

... all of it detailed in this new book. 'TRUMPED: THE WONDERFUL WORLD AND WISDOM OF DONALD TRUMP' is a record for the ages ... every quotable quote from one of the most quotable men on the planet. It will stand as a record for the ages ? regardless of Trump's fate as a presidential candidate ? when we can all fondly look back and ask, 'what just happened?' Call him Trump, Droompf or "F\*\*kface Von Clownstick", there is only one Donald J.Trump.
